**COBRA LEGAL SOLUTIONS LAUNCHES NEW WEBSITE**

*Cobra introduces its new brand with the launch of their completely revamped website offering visitors fresh new features with an intuitive design for easy navigability to essential information.*

**AUSTIN, TX**– Cobra Legal Solutions, a leading global provider of technology and legal support services, is excited to invite you to explore its [new website](#). The fully revamped website delivers a refreshingly clean, intuitive UX design and effortless navigation to guide visitors through *what* Cobra does, *who* Cobra is, *why* Cobra leads its industry and *where* to find them so users can contact Cobra with ease.

“At Cobra, transparency, collaboration, quality, innovation and integrity are the core of our values. Our new site embodies and reflects these values through a clean, intuitive design which offers easy navigation and comprehensive yet clear explanation of our company and services to better serve both our current and prospective clients,” said Cobra’s Chief Executive Officer, Candice Corby. “We are thrilled to introduce our new website to our customers, clients, partners, media and visitors who are looking to understand the breadth of Cobra’s services and team.”

The site explores Cobra’s wide array of services through the introduction of ‘The Cobra System’ which many of Cobra’s clients are already implementing. Delivering a fully responsive experience, the site transitions seamlessly between all devices and browsers allowing users easy navigation and transparency through Cobra’s comprehensive service-lines to help corporations and law firms make well-informed decisions about their legal and technology goals and needs. Developed and created entirely in-house, Cobra’s new site and brand reflects the company’s foundation on integrity, quality and transparency while raising the bar for its industry counterparts.

The new website goes live today, March 5, 2019, visit the revamped site at this address: <https://www.cobralegalsolutions.com> as well as <https://www.cobral.com>.
