COBRA TAPS INDUSTRY EXPERT TO LEAD TECH DIVISION

*Cobra's force continues to grow with the addition of an experienced industry leader as its new
EVP of Sales and Managing Director of CobrATX*

AUSTIN, TX– Cobra Legal Solutions, a leading global provider of technology and legal support services, proudly welcomes Doug Kaminski as the company's Executive Vice President of Sales and Managing Director of CobrATX, Cobra Legal Solutions' technology division.

With over 20 years of experience in the legal industry spanning four continents, Mr. Kaminski specializes in helping organizations of all types and sizes understand and implement processes and technologies to enable complex legal workflows and generate maximum quality, predictability, scale, cost reduction, and ROI. A frequent speaker and published author, Mr. Kaminski brings to the Cobra team deep experience in the legal technology and services industry, having held leadership positions at Relativity, Symantec, Clearwell Systems, Wolters Kluwer, LexisNexis, and Huron Consulting Group (now Consilio).

“As Cobra’s clients’ needs expand, so must service offerings and proficiencies,” Said Cobra’s CEO, Candice Corby. “With the addition of Doug and his industry expertise, Cobra is poised to deliver on the challenges of tomorrow, creating limitless value for our clients.” “It is a pleasure to welcome Doug to the team.”

The combination of Doug’s industry knowledge and experience with Cobra’s award-winning technologies and exceptional team will provide clients with industry-leading support in legal operations, eDiscovery and information governance, process automation, and outsourcing.
